Register For IBM Cloud

Test Case :

The screenshot displays the IBM Cloud Dashboard interface. At the top, there is a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's name (Manikandaprabhu M's ...). Below the navigation bar, the main content area is titled "Dashboard" and includes links for "Edit dashboard", "Upgrade account", and a prominent "Create resource" button. The dashboard is organized into sections. The "For you" section features a "Build" card with a blue-to-purple gradient and a "Select an option" dropdown. Below this, there are several cards for quick actions: "Build a web app with Watson Speech to Text" (15 min), "Get Started with Watson Studio" (2 hr), "IBM Watson Knowledge Catalog" (2 min), "Build a Virtual Private Cloud (VPC)" (7 min), and "App Center" (7 min). Each card includes a "Getting started" button and a duration. At the bottom, there are three sections: "User access" with a "Manage users" link, "News" with a "View all" link, and "Planned maintenance" with a "View all" link. A small chat icon is visible in the bottom right corner.
